

CIRCULAR**16th August 2026****Registration of Accountants in Business**

This Circular is issued to inform employers and relevant professionals of the requirements for submitting applications for registration under the Regulation for Registration of Accountants in Business (Regulation No. 2026/R-4).

The Institute hereby informs all concerned that the online registration portal is now available for the submission of registration applications. Accordingly, all employers of Accountants in Business and other relevant professionals are required to submit their applications through the Institute's prescribed online registration portal.

Applicants are required to ensure that all information provided and supporting documents submitted through the portal are complete, accurate, current, and up to date. Applicants are further advised to carefully review all information and documentation before submitting their applications.

The Institute advises all eligible employers and Accountants in Business to complete the registration process within ninety (90) days to ensure timely compliance with the applicable regulatory requirements.
